

IT'S TIME. TO RETHINK. TO REFRESH. TO REFOCUS.

Radio Ink and the Center for Sales Strategies are pleased to present the "Radio Masters Sales Summit," September 22-23 at the Intercontinental at Doral in beautiful Miami.

We invite you to join us for a meeting devoted strictly to sales and sales management designed to inform, educate, motivate, and inspire.

And to recognize radio's top talent in sales, marketing and management with the 30th annual Radio Wayne awards.

This is a niche conference dedicated to radio platforms (all of them), managers, and sellers with lots of one-on-one opportunities for you to meet, chat with, and share the vision your service and/or product bring to the table. The packages have been designed to be filled with richly rewarding, multiple benefits. But they'll go fast so sign up before the one you want is gone!
